

Knights Apparel
&
Order Form

CWCS Families,

With the changes to our school dress code for 2020 we wanted to introduce the opportunity to have more CWCS wear options. We plan to make two orders a year and we are working with two separate manufacturers to keep quality good and to keep costs reasonable. CWCS will make minimal if any money off each order as prices will vary due to set up and design costs. Additionally, the quantity we order will also affect this; however, the school is not looking to make money off of these orders.

By presenting our families with these options it affords our students the opportunity to wear CWCS gear to school and as a result in the community. We hope to grow school pride amongst our students and families as well as in our community.

These items will be approved for daily wear (as long as they are appropriately sized) at CWCS. Additionally, you will see a hat option toward the end of the pamphlet. As soon as we issue your orders, we will allow CWCS HATS ONLY to be worn on Fridays and we will encourage our students to wear their CWCS gear on Fridays to promote CWCS spirit.

The first order will be made in March of each year and the second will be made in September. Each item has a minimum number associated with production. Once orders are received, we will ensure we have enough for an order. Once the minimums have been met, we will order our gear and we will send out emails and Facebook posts to let you know how the order is progressing.

If you have any questions about this opportunity to obtain CWCS gear, please call the office at 970-249-1094. Thank you for your interest and I look forward to seeing everyone showing off their school spirit.

Tim Deater
